Measure L

City Name: City of Patterson

Project Name: Mini Roundabout @ Ward and Salado Ave 2025-C-003

Date: 1/15/2026

Revenue		Expenses	
City Funds		Project Budget	199,485
Federal Funds		Encumbered	
State Funds		Expended - Measure L	73,939
Measure L Funds	199,485	Expended - Other	
Other Funds			
Total	199,485	Available	125,546

Phase: Design Phase

The project of the design of a mini traffic circle/roundabout at the intersection of Ward and Salado Avenue to mitigate congestion. It will also include design of asphalt overlay necessary gig-outs, and striping along Ward Ave from American eagle Ave to 9th St and Salado Ave from Ward Ave to 7th St. Additionally, sections of pavement that are in poor conditions will be reconstructed, all existing manholes and valve covers will be raised to final grade. Furthermore, 24 curb ramps will be reconstructed to meet current American with Disabilities Act (ADA) Standards as well as crosswalks with the project limits. This is in an effort to maintain and improve roadway and pedestrian safety within the City of Patterson.

Project Status:

Request for proposals for design were advertised for this project. Two proposals were received, and the contract for design was awarded to Provost & Pritchard on April 15, 2025's City Council Meeting. This project is currently in the design phase.
